

Cinema under the Stars

A sensory journey through the Ca' dei Frati winery behind closed doors, followed by a four-course dinner featuring fresh, summery ingredients and paired wines.

After each course, the evening will be enriched with the screening of a short film paired with each dish, transforming the lakeside experience into a journey of taste and cinema under the stars, directly on the lakeshore.

A unique occasion where flavors, images, and emotions meet in an evocative and engaging atmosphere.

From the barrels to the glass, all the way to the screen: an experience to be enjoyed amidst flavors and visions.
